LAND AT THE SQUARE, BICESTER ROAD, CHURCH ENSTONE - PRE-PLANNING APPLICATION DISCUSSION

- The Chair welcomed Mr Mulhearn, Mr Taylor and Mr Tomlin to the meeting who had asked to attend the meeting to explain the proposed planning application for The Land at The Square.
- Mr Taylor, the land owner, circulated the history of the land to members of the Council.
- Mr Mulhearn explained that the concept was for the land to be used as a multigenerational dwelling house – it would be exceptional in its design, quality with modern technology and innovation. The materials would be within the keeping of the area.
- The site was long and thin and it was intended to create a ‘new village garden’ including a planted orchard on the road frontage. There would be a low impact driveway with bee hives and apple press.
- The building would be two-storey on one side and single storey on the other side with a private internal courtyard. It would not be overlooked by neighbours. The focus would be on the courtyard space. It would be eco-friendly and would need to be adaptable and sustainable.

Questions from residents-

- It should be single on both sides.
- Who will own the land where the garden will be – Mr. Taylor would ensure that no further development would take place. The owner of the house would look after the land for four to five years.
- The plan seemed complex with the garden being open to the public which was situated by neighbours' properties.

Questions from the Parish Council:-

- The land could be transferred into this design but, alternatively, a few houses could be built on the same piece of land and everyone needed to be mindful of this.
- The Parish Council felt that the concept was a good way of protecting Church Enstone. There was concern over the covenant of the land after five years.
- The Chair thanked Mr Mulhearn for attending the meeting.

47. **MATTERS ARISING:**

- **Japanese Knotweed** – Report from Oxfordshire County Council awaited.
- **Heythrop Park/ISSEE** – A site visit had been postponed until the beginning of June. A resident who had raised concerns regarding ISSEE and discarded rubbish at Heythrop Park arrived at the meeting room to complain to the Chair and clerk regarding the response from the District Council, where no concerns had been raised during a site visit. It was agreed that the clerk would contact the District Council concerning this and it was reiterated to the resident that the Parish Council had undertaken its obligation by raising the issues concerned to the appropriate Authority.
- **Planning Application, Land South of Oxford Road** – This was now to be discussed at the Uplands Committee on Monday 3rd July at West Oxfordshire District Council. A representative from the Parish Council to speak at the meeting would be agreed at June's meeting.
- **Site Visit Shooting School** – Cllrs. Shaw and Glendinning were thanked for attending the site visit to see the progress of the bunds.
- **Stopping Order, Green Lane** – This item would now be taken off the agenda as the Stopping Order was not going ahead and several planning applications for Soho House were currently under review. The County Council was dealing with the current planning application for the tarmacking of the Green Lane – Soho House was prepared to pay for the work to be undertaken on the basis that the Highways Department then maintained the Green Lane. County Cllr. Hibbert-Biles did not agree with this suggestion and was in discussion with Soho House regarding this.
- **Chicane** – Church Enstone. Work to install the chicane commenced on 22nd May.

48. **PUBLIC DISCUSSION**

- At the Annual Parish Meeting held on 18th May 2017, a resident had requested the installation of a dog bin along the bridleway at Cleveley. After discussion, it was agreed not to do this as it was outside the curtilage of the village as well as being a bridleway.
- Cllr. Parker had circulated the recent Thames Valley Alerts and it was agreed that the clerk would put the information on how to register for these alerts into the Ensign magazine.

- Several “For Sale” signs had been placed on public footpaths and Cllr. Glendinning agreed to contact the Estate Agents asking them to be relocated.
- The clerk reported that the speeding sign along the A44 through Enstone was obliterated by foliage and would contact the Highways Department concerning this.
- The clerk reported that the left hand bend sign along the Lidstone Road had been twisted and would report this to the Highways Department.

- Land Registry – The Land Registry had finally been completed. The clerk would contact the Oxfordshire Association of Local Councils to clarify whether or not the ownership of the Parish Hall should belong to the Parish Council or Parish Hall Management Committee.
- Meter Readings – Cllr. Glendinning agreed to read the meter readings should Cllr. Lee be away when they were needed. To date, £2,700.00 had been received from Ofgem to the Parish Hall Management Committee.
