## THE CHASE BENEFICE - MAY

We're looking forward to re-opening for in-person worship later this month. All the PCCs in the Benefice are working on the necessary risk assessments now and we hope that the decision as to which churches will open, and when, will be made at the JPCC meeting on 12 May. More details will be available in the Bulletin that week and on the noticeboards.

## RECTOR'S LETTER

Dear friends

### *Changing perspective*

I spend a lot of time in my car, driving between the four villages of the Benefice. I never tire of looking at this beautiful corner of Oxfordshire. Each season brings its own joy: the daffodils appearing in the verges, the May blossom and gradual greening of the trees as they burst into leaf, the changing colour of the fields as crops grow and are harvested and the way that the differing angles of the sun affect what you can see in the distance.

But this spring, as I have been driving from Enstone to Chadlington, through Taston and Spelsbury, I have enjoyed seeing something that I have not noticed before. Over the winter months the mature hedges on either side of the road have been cut back, revealing a view of Spelsbury Church not previously visible from the road.

A good few years ago a large conifer was removed from the front of Spelsbury Church by the west door. The result has been that the Church is now visible from all over the valley, and very fine it looks too in the spring sunshine. Cutting things down, stripping things away, often gives us a new view or perspective.

On 1st June, I am going to undergo something of a similar experience — although I hope not as dramatic! The Bishop has granted me a three-month Sabbatical – a period of time when I lay down my day-to-day responsibility for the parishes of the Chase Benefice and I will be away from the Benefice until Sunday 12 September.

A sabbatical is not a holiday as such. It is a chance for rest, reflection and discernment. During this time I am going to spend time in retreat, taking time

away from normal working life to be alone with God. I am also going to spend time weaving, a much neglected hobby, and visiting some weavers on the islands of the Outer Hebrides, as well as enjoying being with the family, doing some reading, walking and just 'being' rather than 'doing'. Some of this time will be away from the Benefice, some of it will be based at the Vicarage - but I will not be involved in any Benefice activity nor will I engage in any conversations about the Benefice or look at emails!

This is the second sabbatical that I have been granted in 28 years of ordained ministry and comes as I approach the 20th anniversary of becoming Rector of the Chase Benefice. I am ready for three months of Sabbath rest with its change of pace and perspective.

During this time Ilona Cheyne, our Assistant Curate, will be taking on pastoral responsibility for the Benefice, supported by the Churchwardens and PCCs. All enquiries should in the first instance be directed to her. I am extremely grateful to have Ilona as a colleague and to be able to leave the Benefice in her care. And I will look forward to returning to the Benefice in mid-September when hopefully we will have emerged fully from the shadow of COVID-19. In the meantime I wish you a peaceful and sunny summer!

With every good wish and blessing.

Mark Abrey

The summer term has got off to a lovely, positive start. The children returned from their Easter break rested and ready to tackle the challenges of a new term, and the fine weather is making a really positive contribution to our wellbeing, as we are able to take a lot of our learning and play activities outside. There are new topics to look forward to including a study of the Ancient Greeks and learning about contrasting localities such as Australia and Chembakolli. We plan to start taking the children back to our woodland site at Henley Knapp and we will certainly be making the most of our lovely school garden and the abundance of wildlife to be found there, which is such a great resource to support our science teaching.

We hope that a gradual relaxing of social distancing rules in the weeks to come will enable us to enjoy increasingly more of the activities which have been denied to us in the past few months, including musical instrument lessons and ensemble singing, as well as partnership sporting events and, in the fullness of time, sports day and our annual musical showcase assembly. We are certainly approaching this term in the spirit of optimism, planning for as much as we can and hoping that it all comes to fruition. I will look forward to keeping you updated with all our fun and activities throughout the summer term.

Headteacher

### **SHARE YOUR LIFE, CHANGE A LIFE**

Could you give someone the opportunity to live the fullest life they can live? Help them grow in confidence? Encourage them to become more independent and do things they never thought they would be able to do?

The Shared Lives scheme matches people who need additional support to be independent, with carers and their families. The opportunity to share a family's life, as part of their household, gives them a valuable alternative to staying in residential care or being looked after by a team of support workers.

Becoming a Shared Lives Carer for Oxfordshire County Council will make a big difference to someone's life. If you love people, and are looking for something that is rewarding, paid and home-based - share your life, change a life - [oxfordshire.gov.uk/sharedlivescarers](http://oxfordshire.gov.uk/sharedlivescarers)
